

OTS Toronto's E-Bikes Destination.

OTS is your one stop shop for top quality e-bikes in Toronto, our e-bikes are sporty, safe and fun to ride. Our brand are carefully aspect and is always looking to improve the design towards the industry safety standards. We have made sure that every part of our bikes pass EEC standard (**European Standard Certificate**) and is always looking to bring in accessories to improve your e-bike riding experience.

No Licence & No Insurance Needed!

OTS e-bikes are a great alternative to driving. e-bikes are becoming a fast and common means of transportation in Toronto, and soon the rest of Canada. They are accepted on our vast majority of roadways. OTS e-bikes are the new form of transportation unlike any other and required no license or insurance is needed, just start up your e-bike and you are ready to go!
